Dear Spires Life Church

Thank you so much for choosing to use your current support to sponsor a home with Destiny Rescue! Your valuable contributions will be used to help restore, educate, reintegrate and empower the young girls in our care – thank you for helping us make a difference. The home you have chosen to sponsor is: **Friendship Home in Thailand**

Updates: As a sponsor, you'll receive quarterly updates (February, May, August, November) from **Friendship Home**, giving you an inside-view of what's been happening in the past three months including: celebrations, graduations, activities, and how many new children have arrived to start a new life!

Correspondence: You'll also be able to send correspondence via email to the children in your home – pictures, scripture, words of encouragement, whatever you like – which will be printed and displayed for all the kids to see! However, sponsors are not to exchange any personal contact details with the children including, but not limited to, telephone numbers, email, postal addresses or social media contacts (Eg. Facebook, Twitter). Any contact with children in our program must go through Destiny Rescue offices.

At the end of each financial year you will be emailed a Tax Deductible Statement outlining your contributions for the past year. If you are interested in visiting our overseas projects, you are welcome to express your interest by visiting our website and filling in an online application form www.destinyrescue.org/aus/get-involved/teams

Finally, please add the following address to your email contacts: sponsorahomeaus@destinyrescue.org (*this will ensure the correspondence we send you doesn't end up in your spam folder!*)

Thank you for helping us bring hope and life to countless more courageous children!

Kind Regards

SPONSOR A HOME QUICK FACTS

VISITING YOUR HOME

You are more than welcome to visit your Home if you are part of a Destiny Rescue Team Trip. However, because of the location of some of the homes, and government regulations, not all are available to be visited. If you plan on attending a Team Trip and want to see if your Home is available to visit, please email sponsorahomeaus@destinyrescue.org prior to leaving.

COMPLETING OR LEAVING THE PROGRAMME

Our aim is for all our rescued children to progress through our Aftercare Programme, graduate from their education or vocational training, and successfully reintegrate back into society. However, sometimes children leave our programme earlier than anticipated. Often this is because family circumstances have changed and they move to a different area to find work.

Most of our rescued children have come from very unstable backgrounds and they sometimes make their own decisions to leave the programme before completing it. In these situations, our staff encourage the child to stay and remind them they will always be welcomed back with open arms should they choose to return.

PRIVACY AND PROTECTION

Privacy laws regarding rescued children vary from country to country and at Destiny Rescue we are dedicated to keeping our children safe and protected, so please refrain from sharing photos or stories of your sponsored home - including any children in that home - its name or location on social media, the internet or any other publication or forum. If you are unsure about what is appropriate, please contact us for more information. Thank you for your sensitivity and understanding in this important legal matter.

SPONSOR A HOME QUICK FACTS

USE OF FUNDS

Your Sponsor a Home donation goes into a larger pool where funds are distributed to our various homes depending on their needs. This is the best way to ensure your money is being used efficiently, and that no home receives more or less than it needs to run sustainably and provide the children with the best support possible. The pooled Sponsor a Home funds aren't allocated to individual children, instead they go towards every expense you can imagine in running a rescue home: food, clothing, medication, water, power, maintenance, local staff salaries and many more things. Your sponsored home will have a number of individuals, families, churches and organisations helping fund the day-to-day running of your home.

WRITING TO YOUR SPONSORED HOME

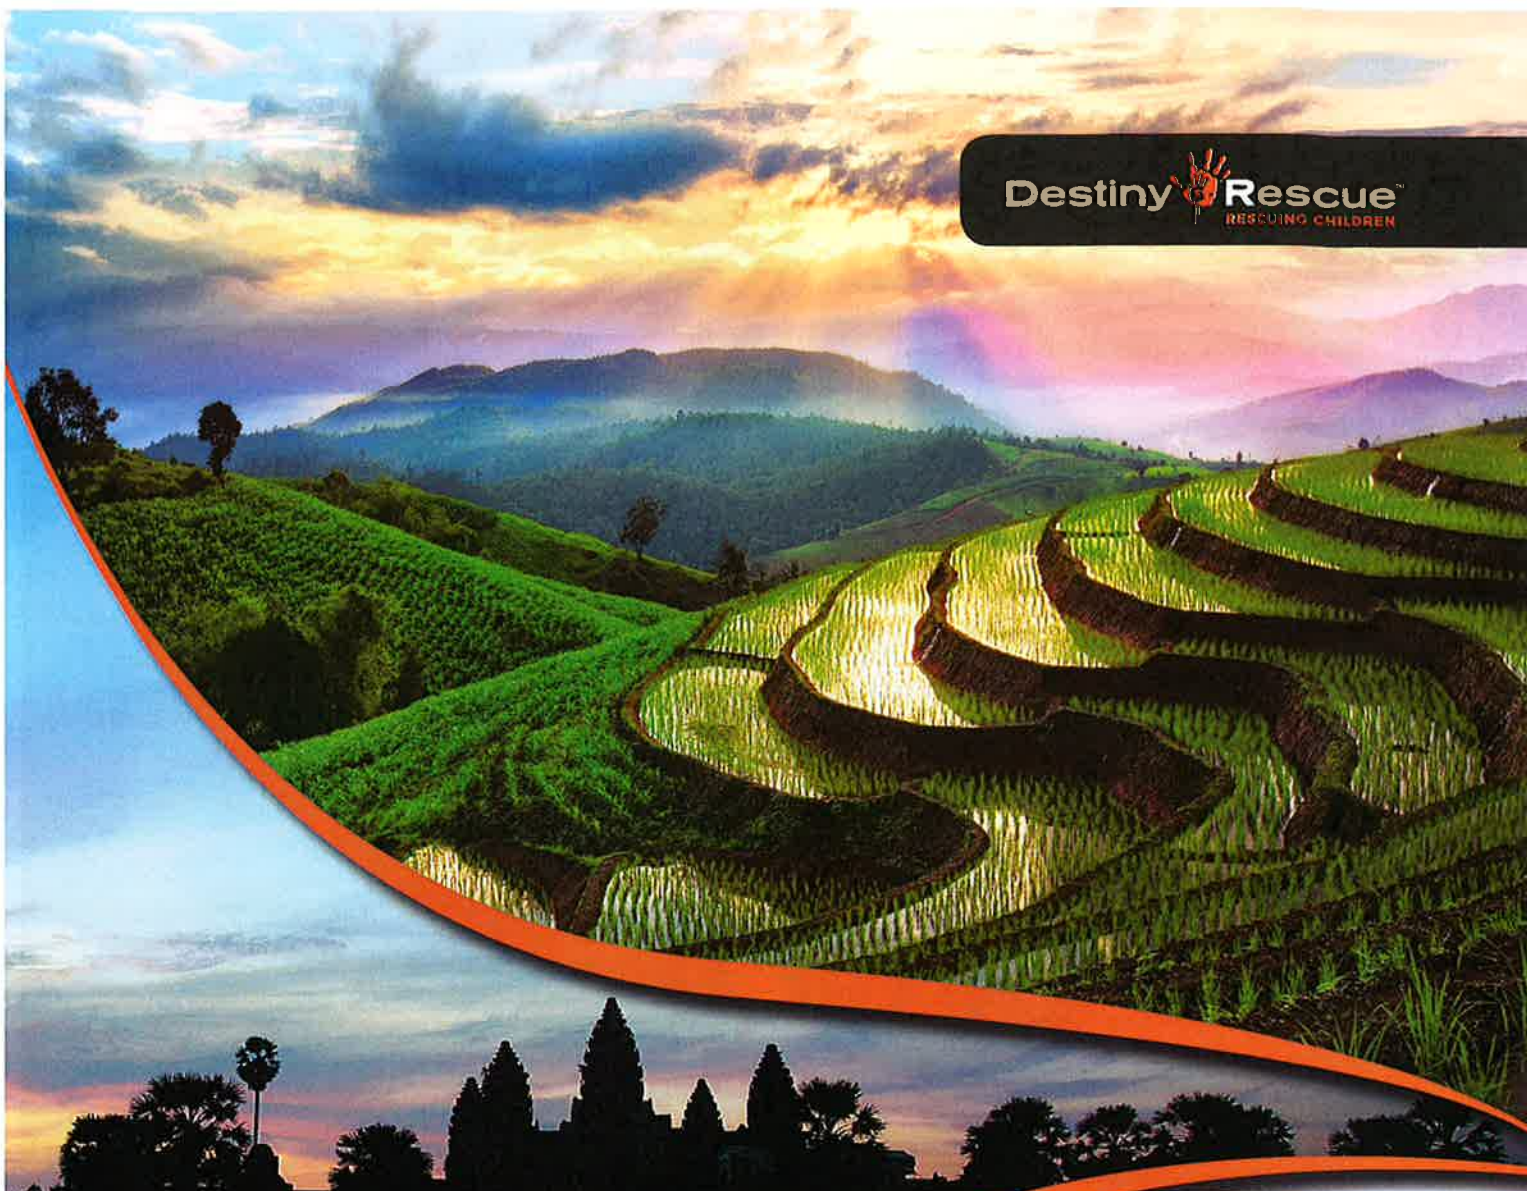

The children in our Homes love to receive correspondence from their supporters! Please send encouragements, photos, scripture – whatever you like – to sponsorahomeaus@destinyrescue.org. The material will be printed out, translated and displayed in the home for all the children to see.

SENDING GIFTS TO YOUR HOME

While we would love to pass on your gifts to our children, it is logistically difficult and expensive for us to do this and we want to be good stewards of our resources and your donations. We have created a Celebration Fund where you can earmark donations (on top of your monthly donation) to put towards special events for the children of your home. These funds are used to buy birthday and Christmas presents for the girls each year. Photos of these celebrations will be included in your quarterly updates.
